Here to Help You Change the World with Your Designs

Tracing our roots back to 1989 just outside of Portland, Oregon, Same Sky (formerly CUI Devices) is an electronic components manufacturer dedicated to nurturing the spirit of innovation by caring more than is expected, embracing evolution, taking a holistic approach, and having fun along away. We specialize in an ever-expanding range of product technologies, including audio, interconnect, motion, relay, sensor, switch and thermal management solutions.

Symbolizing interconnectedness and breaking down barriers, the Same Sky name represents the goals we share with our customers. Our customers are the most innovative people on the planet. We believe their goals, their innovations, their “sky” is limitless. We exist to help our customers reach new heights and change the world with their designs.

As we move forward together, Same Sky will continue to be the familiar and trusted source for electronic components you’ve come to rely on. We understand the bending and forking design journey our customers boldly travel. We’ve been on an unfolding journey ourselves. We will stay empathetically committed to your design’s success without distraction or delay. Our suite of online resources and knowledgeable staff are ready to help.
